Areas you'll experience

Uniquely, a trainee role with us provides you with the flexibility to develop as an accountant whilst gaining experience in the following areas:

Assurance & Advisory

To be effective, audit and assurance work demands a deep understanding of a client's business, its goals and the market in which it operates.

Tax

Most business owners appreciate the importance of controlling costs and welcome ways to legitimately minimise their tax. You'll work with the tax team to understand and meet the needs of our clients and their businesses.

Advisory

Our Business Advisory Services team works with a broad range of local and international businesses. As a trainee, you will have the opportunity to work closely with (and be mentored by) our team of experienced advisors.

For a full programme structure please visit our website.

About us
